hello admin

Say hello to the AI front office assistant for non profits

- Answers calls, texts and emails 24/7
- Urgent calls reach you right away
- Books appointments

More time for the work you do best

Customers need answers—even when you're busy. HelloAdmin helps keep conversations and next steps moving.

- Capture inquiries while you're serving customers.
- Keep requests organized in one front-office workflow.
- Reduce phone tag and manual follow-up.
- Add front-office help without hiring another employee.
- Free plan available
